

2020 Route Map & Road Closure Times & Access Points

Shades of Colour on the Map

Darker shade – Roads on/immediately around the run route – will have no/very limited access during the closure times stated

Lighter shade – Surrounding roads which are closed but are areas where local access can be facilitated through the 'Local Access Points' during the closure times stated.

Access will be facilitated when safe to do so. For security purposes, we would ask that drivers are able to show a proof of address/workplace/delivery note and personal ID

Key

 Run Route

 **Local Access Point:** access is possible for local traffic through these road closure points

IMPORTANT ROAD CLOSURE INFORMATION - SUNDAY 9th FEBRUARY 2020

The 6th Cancer Research UK London Winter Run is a closed road 10km running event that is taking place on Sunday 9th February. Thousands of runners will brave the elements running past some of London's most iconic landmarks to raise vital funds to **help beat cancer sooner**.

The list of the key affected roads and their closure times are listed below, please note that these times are approximate and are subject to change. Please check www.londonwinterrun.co.uk for updated information.

Emergency Services and pedestrian access will be facilitated throughout, but there will be no vehicle or bicycle access on these roads during the closure period. Visit www.tfl.gov.uk to see if your public transport journey by bus is affected.
