Key

- Run Route
- Local Access Point: access possible for local traffic via these locations
- Darker shade** Roads on/immediately around run route – will have no/very limited access during closure times stated
- Lighter shade** Surrounding roads which are closed but access can be facilitated through 'Local Access Points' when safe to do so. For security purposes, drivers should be able to show proof of destination address and personal ID.

Please note closure times are approximate and subject to change – visit www.londonwinterrun.co.uk for updated info.

ROAD CLOSURE INFORMATION - SUNDAY 23rd FEBRUARY 2025

On Sunday 23rd February 2025 the Cancer Research UK London Winter Run will return to Central London. This year we are celebrating 10 years since the first event in 2015. Thousands of participants will brave the elements along a 10km route past some of London's most iconic landmarks to raise funds for Cancer Research UK.

The list of key affected roads and their closure times are below. Please note: (1) During the closure times no vehicle or bicycle access will be available on roads listed below. Side streets may also be affected - see map overleaf for local access points. (2) A number of bus diversions will be in place – please visit www.tfl.gov.uk to plan your journey. (3) Please amend your building's emergency evacuation plan if affected during the closure period. (4) Emergency services and pedestrian access will be facilitated throughout.
